

A photograph of a sunset in a savanna landscape. Two large, dark acacia trees frame the scene on the left and right. In the center, a bright sun is low on the horizon, casting a warm orange glow across the sky. The foreground shows the silhouettes of various trees and bushes.

A serene sunset scene over a body of water. The sun is a large, bright yellow-orange orb positioned just above the horizon. The sky is a deep orange, and numerous birds are seen in flight, their silhouettes scattered across the upper half of the frame. The water in the foreground is calm, reflecting the sun and the birds. The reflection of the sun is a bright, glowing yellow-orange shape on the water's surface. The overall atmosphere is peaceful and contemplative.
